## WATER FILTERED HERE

FREE OF CHARGE

Bottled water is terrible for the environment.

The carbon footprint is more than 500 times that of tap water.

We filter ours on the premises :)

## WE ARE 10 YEARS OLD!...

There have been ups (our lovely loyal customers) and downs (lock downs!) since we first opened in 2013!

We are still proud to serve fresh dishes cooked daily in our very own kitchen. Proud that we don't serve ultra processed food, are mindful of our impact on the planet & have a team who have stayed with us for many years.

We are proud to have been HERE, in Berkhamsted, for so long & we would like thank you, our customers, most of all.

You've been amazing.
